**U.S. Department of Treasury Certifies Ponce Financial Group, Inc. as a Community Development Financial Institution**

**NEW YORK, May 2, 2023** - Ponce Financial Group, Inc., (the “Company”) (NASDAQ: PDLB), the holding company for Ponce Bank (the “Bank”), today announced that the U.S. Department of the Treasury (“Treasury”) officially certified Ponce Financial Group, Inc. (“PFG”), the holding company for Ponce Bank (the “Bank”) as a Community Development Financial Institution (“CDFI”) on April 28, 2023. This certification validates and empowers PFG’s mission to support Low and Moderate-income communities and communities of color in and around New York City as well as a national commitment to support Hispanic, African-American, and Low-Income communities throughout the U.S.

“Lost among recent talk about “systemically important” banks these days, is a recognition that community banks like Ponce Bank are “systemically critical” when it comes to bringing financial services and education to communities historically locked out of our financial system” according to PFG President and CEO Carlos Naudon. He went on to add “We can’t stand by and watch all the benefits of our financial system accrue to the largest banks and their wealthy customers. By keeping funds within the neighborhoods we serve, Community Development banking builds resiliency and generates jobs, housing, and services that are critical to the survival and post-pandemic recovery of these areas.”

CDFI Certification provides access to numerous grants, programs, and funding sources designed to provide impact on these underserved communities and is consequently a critical strategic milestone for PFG. The Certification recognizes the unique role of such institutions, seeing that targeted funds are deployed equitably and for the benefit of all those whose lives and livelihoods they are intended to support.
